

Ufa City Clinical Hospital No.21
Clinical laboratory

Report No.7032 of the molecular
biological study by polymerase
chain reaction

Patient:

VALIULLIN AIBULAT

Date of Birth: 26.08.2003

Passport: 76 1296361

Department: Bacteriological laboratory

Clinical diagnosis: examination Studies of a smear from the
pharynx, nose

The result of the study:

COVID-19 PCR testing results

SARS-CoV2 RNA – NOT DETECTED

No.7032 production No.1

Date and time of biomaterial sampling:

08.07.2021 10:00

Result ready date and time:

08.07.2021 15:10

Signature:
